

GOT HAY???

Baby New Year- saved Jan 1st with Jo Deibel, Angel Acres Horse Haven Rescue

Are you getting ready to cut hay but have a barn full of last year's hay???

Please think of **donating** your leftover (eatable) hay to **Angel Acres Horse Haven Rescue**. We are a **501 c 3 charity** and will provide you with a **donation slip**. Angel Acres Horse Haven Rescue saves thoroughbreds from slaughter and cases of neglect and abuse. We rehab and adopt them out to forever loving homes. We are located just over the Md. line in Glenville, Pa. (35 min from Monkton)

Also, we are looking for **volunteers**... need to satisfy your community service obligation? **Contact us**- we need help feeding, mucking, carrying hay and straw. Many thanks from the horses at Angel Acres. Check us out on the web www.saveahorsenow.org . Email us for more information!!
