

Join BCHSA! ✓

The season is in full swing with our first horse shows of the season in the books! If you haven't yet joined the association, you can do that online prior to your first show! Riders must be members to accrue points in equitation classes. Horses and their owners must be registered to earn points in performance divisions.

Junior Board □

The Junior Board was formed to cultivate an environment of good sportsmanship and horsemanship through active participation and educational outreach, and gives young members leadership opportunities within the organization. Each year, the members of the Junior Board plan and execute multiple fundraiser events to support the [Catie Carnes Scholarship](#), and develop educational programs for their fellow riders. Joining the Junior Board is a great way to meet fellow riders outside your barn and deepen your friendships in the horse community, and it looks great on your college applications. Interested?
